NOTICE OF FILING OF LABOR CONDITION APPLICATION

Through this posting, and pursuant to 20 CFR 655.734(a)(1)(ii), NC State University provides notice of the filing of a Labor Condition Application (LCA) with the U.S. Department of Labor (DOL) for one (1) E-3 or H-1B nonimmigrant as follows:

Position Title: Geospatial Research Software Engineer

SOC Number and Title: 15-1199.04, Geospatial Information Scientists and Technologists

Offered Wage: $68,000 per year

Period of Employment: 04/01/2021 to 03/31/2024

Location(s) at which the nonimmigrant employee will be employed:
Center for Geospatial Analytics
2800 Faucette Drive, 5112 Jordan Hall, Raleigh, NC 27606

The LCA will be available for public inspection at the following location:
2711 Sullivan Drive, 2nd Floor, Raleigh, NC 27695

Complaints alleging misrepresentation of material facts in the LCA and/or failure to comply with the terms of the LCA may be filed with any office of the Wage and Hour Division of DOL.

NC State University LCA posting notices are posted electronically for no less than 10 consecutive business days, and are available on NC State University’s main jobs website (jobs.ncsu.edu).
